Schroders appoints Ian Maybury as Head of Solutions Management in the Multi-Asset & Portfolio Solutions Group

11 January 2012

Schroders is pleased to announce the appointment of Ian Maybury who will take up the newly created role of Head of Solutions Management in the Multi-Asset and Portfolio Solutions Group in April 2012. This team is part of the Schroders £32.9 billion* Multi-Asset and Portfolio Solutions business lead by Nico Marais.

Ian will further strengthen the well-established LDI team, headed up by Andy Connell. Prior to joining Schroders, Ian worked at Redington where he was Co-Head of Asset Liability Management & Investment Strategy. Prior to Redington Ian established a centre of excellence in insurance and pensions asset liability management and capital management at Citigroup. His wide range of experience also extends to being a trustee of various pension schemes. Ian holds a First Class Honours degree in Mathematics from the University of Southampton, and is a Fellow of the Institute of Actuaries.

Nico Marais, Head of Multi-Asset and Portfolio Solutions at Schroders said:

“Our clients are increasingly asking for customised portfolio solutions that cover the full spectrum ranging from multi-asset offerings including hedge fund solutions to risk-mitigation strategies such as LDI and downside risk management. We have been pleased with the rapid growth of our Solutions Management business over the last 3 years and it continues to be a strategic priority.”

“We see continued significant demand for outcome orientated solutions which have embedded sophisticated risk management strategies. We are therefore delighted that Ian is joining our team and look forward to making available his insights and experience to our clients in the Spring.”

Andy Connell, Head of LDI said:

“Adding Ian to the team underlines Schroders’ commitment to delivering bespoke funding risk management solutions to our clients and will ensure that we maintain the highest levels of client focus as the business continues to grow.”
