ANNUAL MEETING OF STOCKHOLDERS
September 9, 2021

PROXY STATEMENT

INTRODUCTION

This Proxy Statement is furnished by the Board of Directors of The Swiss Helvetia Fund, Inc. (the "Fund") in connection with the solicitation of Proxies for use at the Annual Meeting of Stockholders (the "Meeting"), to be held at 1:00 p.m., on Thursday, September 9, 2021, at the offices of Sullivan & Cromwell LLP, 535 Madison Avenue, New York, New York. The purpose of the Meeting and the matters to be acted upon are set forth in the accompanying Notice of Annual Meeting of Stockholders. It is expected that the Notice of Annual Meeting of Stockholders, Proxy Statement and form of Proxy will first be mailed to stockholders of record on or about July 26, 2021.

About the Fund

The Fund's investment adviser and sub-investment adviser are Schroder Investment Management North America Inc. ("SIMNA") and Schroder Investment Management North America Ltd. ("SIMNA Ltd." and together with SIMNA, "Schroders"), respectively. The executive offices of the Fund and SIMNA are located at 7 Bryant Park, New York, NY 10018. The executive offices of SIMNA Ltd. are located at 31 Gresham Street, London, EC2V 7QA, United Kingdom. The Fund's administrator is U.S. Bancorp Fund Services, LLC ("USB"), and its executive offices are located at 615 East Michigan Street, Milwaukee, Wisconsin.

Voting Information

If the accompanying form of Proxy is executed properly and returned, the shares represented by it will be voted at the Meeting in accordance with the instructions on the Proxy. However, if no instructions are specified, the shares will be voted "FOR" the election of each nominee for Director, "FOR" the ratification of the Fund's independent registered public accounting firm and "ABSTAIN" on the ratification of the Board of Directors' non-binding proposal on the use of leverage. A Proxy may be revoked at any time before it is voted by written notice to the Secretary of the Fund revoking it, by submitting a properly executed Proxy bearing a later date, or by attending the Meeting and voting in person. Attending the Meeting will not automatically revoke a previously executed Proxy. Shares represented by a Proxy marked to withhold authority to vote for a Director, abstentions and "broker non-votes" will be included in determining the existence of a quorum at the Meeting, but will not constitute a vote in favor of a Proposal. As a result, because approval of Proposal 2 and Proposal 3 require a majority of the votes cast at the meeting by the stockholders entitled to vote thereon, and abstentions and "broker non-votes" are not votes cast with respect to Proposal 2 or Proposal 3, they will have no effect of a vote on the outcome of Proposal 2 or Proposal 3. A "broker non-vote" occurs when a broker holding shares for a beneficial owner does not vote on a particular matter because the broker does not have discretionary voting power with respect to that matter and has not received instructions from the beneficial owner.

A quorum of stockholders is constituted by the presence in person or represented by Proxy of the holders of the Fund's outstanding shares of common stock entitled to cast a majority of the votes entitled to be cast at the Meeting. Whether or not a quorum is present at the Meeting, one or more adjournments of the Meeting may be proposed, including to permit further solicitation of Proxies. Any such adjournment will require the affirmative vote of the holders of a majority of the Fund's shares present in person or represented by Proxy and entitled to vote at the

Meeting. If an adjournment is proposed, the persons named as Proxies will vote thereon according to their best judgment in the interest of the Fund.

The Board of Directors has fixed the close of business on July 15, 2021 as the record date for the determination of stockholders entitled to notice of, and to vote at, the Meeting and at any adjournment thereof. On that date, the Fund had 13,212,254 shares of common stock outstanding and entitled to vote. Stockholders are entitled to one vote for each Fund share held and fractional votes for each fractional Fund share held. Stockholders are not entitled to any appraisal rights as the result of any Proposal.

If you wish to attend the Meeting in person, whether or not you hold your shares in your own name, you will need to present satisfactory evidence of your identity, which for this purpose is a valid U.S. federal or state government issued picture identification, such as a driver's license or passport.

The Board of Directors knows of no business other than that mentioned in the Notice of Annual Meeting of Stockholders which will be presented for consideration at the Meeting. If any other matter is properly presented, it is the intention of the persons named in the enclosed Proxy to vote in accordance with their best judgment.

The Fund will furnish, without charge, a copy of its Annual Report for its fiscal year ended December 31, 2020 and its most recent Semi-Annual Report to any stockholder upon request. Requests for these Reports should be made in writing to The Swiss Helvetia Fund, Inc., 615 East Michigan Avenue, Milwaukee, Wisconsin 53202, or by calling the Fund's toll-free telephone number: 1-800-730-2932.

PROPOSAL 1: TO ELECT FIVE DIRECTORS

The Fund has completed its transition from a classified structure in which each class of directors has historically been elected for a three-year term to a non-classified structure in which each director is elected annually for one year. Accordingly, each Director is now elected annually for a one year term to serve until the next annual meeting of stockholders and until his respective successor is duly elected and qualifies.

The number of Directors currently is five: Andrew Dakos, Richard Dayan, Phillip F. Goldstein, Gerald Hellerman and Moritz A. Sell.

At a meeting held on June 16, 2021, each of Messrs. Dakos, Dayan, Goldstein, Hellerman and Sell was nominated by the Governance/Nominating Committee of the Board of Directors. On the same date, the Board of Directors of the Fund unanimously proposed Messrs. Dakos, Dayan, Goldstein, Hellerman and Sell to serve as the nominees for election at this Meeting.

Required Vote and the Board's Recommendation

Unless authority is withheld, it is the intention of the persons named in the accompanying form of Proxy to vote each Proxy "FOR" the election of the nominees of the Fund listed above. Each nominee has indicated he or she will serve, if elected, but if either such nominee should be unable to serve, Proxies will be voted for an alternate nominee, if any, designated by the Board of Directors. The Board of Directors has no reason to believe that any of the nominees will be unable to serve as a Director. Each of the nominees currently is a member of the Board of Directors.

Please see "Certain Information Concerning Directors and Executive Officers" and "Additional Information about the Fund's Directors" below in this Proxy Statement for additional information concerning the nominees.

In accordance with Delaware law and the Fund's Certificate of Incorporation and By-Laws, Directors are elected by a plurality of the votes cast at the Meeting by the stockholders entitled to vote. By "plurality of the votes cast" we mean that the five director nominees who receive the highest number of shares voted "FOR" their election by the Company's stockholders will be elected to the Board.

THE BOARD OF DIRECTORS OF THE FUND UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION OF THE NOMINEES AS DIRECTORS.

Additional Information about the Fund's Board of Directors

Board's Oversight Role in Management. The Board's role in management of the Fund is oversight. The Board of Directors provides oversight with respect to the Fund's governance, operations, performance and stockholder relations. In that capacity the Board, directly and through permanent and ad hoc committees, provides oversight of the Fund's investment adviser, SIMNA, the Fund's sub-investment adviser, SIMNA Ltd., the Fund's independent registered public accounting firm, Tait, Weller & Baker, LLP ("Tait Weller"), the Fund's administrator and fund accountant, USB, and Fund management.

As is the case with virtually all investment companies (as distinguished from operating companies), service providers to the Fund have the primary responsibility for the day-to-day management of the Fund, which includes responsibility for risk management (including management of investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of its oversight, the Board, acting at its scheduled meetings, or the Chairman, acting between Board meetings, regularly interacts with and receives reports from senior personnel of service providers, including SIMNA's Chief Operating Officer, the Fund's and SIMNA's Chief Compliance Officer and portfolio management personnel. The Board's Audit Committee meets during its scheduled meetings, and, between meetings, the Audit Committee chair maintains contact, with the Fund's independent registered public accounting firm and the Fund's Principal Financial Officer. The Board also receives periodic presentations from senior personnel of Schrodgers or their affiliates regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas. The Board has adopted policies and procedures designed to address certain risks to the Fund. In addition, Schrodgers and other service providers to the Fund have adopted a variety of policies, procedures and controls designed to address

particular risks to the Fund. Different processes, procedures and controls are employed with respect to different types of risks. However, it is not possible to eliminate all of the risks applicable to the Fund. The Board also receives reports from the Fund's Chief Compliance Officer and counsel to the Fund regarding regulatory compliance and governance matters. The Board's oversight role does not make the Board a guarantor of the Fund's investments or activities.

Board Composition and Leadership Structure. The 1940 Act requires that at least 40% of a fund's board members not be "interested persons" (as defined in the 1940 Act) of the fund and as such are not affiliated with the fund's investment adviser ("Independent Board members"). To rely on certain exemptive rules under the 1940 Act, a majority of a fund's board members must be Independent Board members, and for certain important matters, such as the approval of investment advisory agreements or transactions with affiliates, the 1940 Act or the rules thereunder require the approval of a majority of the Independent Board members. Currently, more than 75% of the Board of Directors and the chair of each of the Board's permanent committees, is comprised of Non-Interested Directors. The Board has determined that its leadership structure is appropriate in light of the services that Schroders provides to the Fund and potential conflicts of interest that could arise from that relationship.

Information about Each Director's Experience, Qualifications, Attributes or Skills. The Board of Directors believes that the significance of each Director's experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single Director, or particular factor, being indicative of Board effectiveness. However, the Board believes that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties; the Board believes that the Directors satisfy this standard. Experience relevant to having this ability may be achieved through a Director's educational background; business, professional training or practice (e.g., medicine, accounting or law), public service or academic positions; experience from service as a board member (including the Board of the Fund) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. The Board's Governance and Nominating Committee Charter contains certain other factors considered by the Committee in identifying and evaluating potential Director nominees. The Board and its committees have the ability to engage other experts as appropriate. The Board evaluates its performance on an annual basis.

Information about each Director follows (supplementing the information provided in the table above), including some of the specific experiences, qualifications, attributes or skills that each Director possesses which the Board believes has prepared them to be effective Directors. Each Director satisfies the Fund's Director qualification requirements set forth in the Governance and Nominating Committee Charter, which is attached as Exhibit A to the Proxy Statement.

Mr. Sell previously served as chairman and a director of Aberdeen Singapore Fund and as a director of Aberdeen Greater China Fund. Mr. Sell is the Fund's Lead Independent Director and also serves as the Chair of the Fund's Audit Committee.

Board Committees, Meetings and Compensation

The Board has three standing Committees: the Audit Committee, the Governance and Nominating Committee and the Pricing Committee. Each Committee is composed entirely of Non-Interested Directors. Where deemed appropriate, the Board may constitute ad hoc committees.

Audit Committee. The current members of the Audit Committee of the Board of Directors are Messrs. Sell, Dayan and Hellerman. Mr. Sell serves as Chair of the Audit Committee. Each member of the Committee is "independent" under the listing standards of the New York Stock Exchange ("NYSE"). The Board has determined that Mr. Sells' service on the audit committees of more than three public companies does not impair his ability to effectively serve on the Fund's Audit Committee because, like the Fund, those other companies are listed closed-end funds and include funds that are part of the same fund complex.

Pursuant to the Audit Committee Charter adopted by the Board, the function of the Audit Committee is to assist Board oversight of (i) the integrity of the Fund's financial statements; (ii) the Fund's compliance with legal and regulatory requirements; and (iii) the independent registered public accounting firm's qualifications, independence and performance. The Audit Committee has direct responsibility to appoint, retain, determine the compensation of, evaluate and terminate the Fund's independent registered public accounting firm, including sole authority to approve all audit engagement fees and terms and, in connection therewith, to review and evaluate matters potentially affecting the independence and capabilities of the independent registered public accounting firm. The Audit Committee also oversees the accounting and financial reporting processes of the Fund and the audits of the Fund's financial statements as well as the administration of the Fund. The Audit Committee held five meetings during the year ended December 31, 2020. The Fund's Audit Committee Charter is available on the Fund's website at www.swzfund.com.

Governance and Nominating Committee. The Board has a Governance and Nominating Committee whose current members are Messrs. Dayan and Goldstein. Mr. Goldstein serves as Chair of the Governance and Nominating Committee. Each member of the Committee is currently “independent” under the listing standards of the NYSE.

Among other responsibilities, the Governance and Nominating Committee selects and nominates persons for election or appointment by the Board and oversees the annual assessment of the effectiveness of the Board and such other matters of Fund governance as may be delegated to it by the Board or determined by the Governance and Nominating Committee to be appropriate. In evaluating potential nominees, the Committee may consider whether a potential nominee’s professional experience, education, skills and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board’s membership and collective attributes. Such considerations will vary based on the Board’s existing membership and other factors, such as the strength of a potential nominee’s overall qualifications relative to diversity considerations.

The Governance and Nominating Committee will consider nominees recommended by a stockholder if such recommendation is in writing and received by the Fund by the deadline specified below under “Stockholder Proposals” and otherwise complies with the requirements for such proposals contained in the Governance and Nominating Committee Charter and the Fund’s By-Laws. Any such recommendations should be submitted to the Fund’s Secretary, The Swiss Helvetia Fund, Inc., 615 East Michigan Street, Milwaukee, Wisconsin 53202. The Governance and Nominating Committee held four meetings during the year ended December 31, 2020. The Fund does not provide a copy of the Governance and Nominating Committee Charter on its website, but the Fund’s current Governance and Nominating Committee Charter is attached as Exhibit A to the Proxy Statement.

Pricing Committee. The Board of Directors has a Pricing Committee whose sole member is Mr. Hellerman, who serves as Chair of the Pricing Committee. The Pricing Committee oversees the fair valuation of the Fund’s portfolio securities for which market prices or quotations are not readily available or are deemed to be unreliable. The Pricing Committee held one meeting during the year ended December 31, 2020.

During the year ended December 31, 2020, the Board met five times. Each member of the Board attended at least 75% of the aggregate of (i) the total number of meetings of the Board and (ii) the total number of meetings held by all Committees of the Board on which he served. The Fund has no formal written policy regarding Directors’ attendance at annual meetings of stockholders. Messrs. Dakos and Goldstein attended the 2020 Annual Meeting.

During the year ended December 31, 2020, the Fund paid each Non-Interested Director an annual retainer of \$42,000, except for the Chairman of the Board to whom the Fund paid \$56,000 and for the Chairs of the three standing Committees to each of whom the Fund paid \$48,000. In addition, the Fund paid each Non-Interested Director \$2,000 for each in-person Board meeting attended, and \$750 for each telephonic Board meeting attended. The Fund also paid each Non-Interested Director who is a member of a Committee a fee of \$750 for each Committee meeting attended. Each Non-Interested Director may be compensated for incremental work over and above attending a meeting, including work performed as a member of an ad hoc committee, based upon the value added to the Fund. Finally, the Fund reimburses the Directors for certain out-of-pocket expenses, such as travel expenses, in connection with Board meetings.

During the year ended December 31, 2020, the Directors and officers received from the Fund individual compensation for their services as directors (exclusive of reimbursed expenses) and officers, as set forth below.

PROPOSAL 2: SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

At a meeting held on March 12, 2021, the Audit Committee of the Fund's Board of Directors recommended, and the Board of Directors approved and ratified, Tait, Weller & Baker, LLP to act as the independent registered public accounting firm for the Fund for the year ending December 31, 2021. Based principally on representations from Tait Weller, the Fund knows of no direct financial or material indirect financial interest of Tait Weller in the Fund. Tait Weller has served as the independent registered public accounting firm for the Fund since December 23, 2016. No representative of Tait Weller is expected to be present at the Meeting, but will be available by telephone and will have an opportunity to make a statement (if the representative so desires) and to respond to appropriate questions.

Neither the Fund's Certificate of Incorporation or its By-Laws requires that the stockholders ratify the appointment of Tait Weller as the Fund's independent registered public accounting firm, but the Fund is doing so as a matter of good corporate practice. If the stockholders do not ratify the appointment, the Audit Committee and the Fund's Board of Directors will reconsider whether or not to continue to retain Tait Weller, but may decide to do so. Even if the appointment is ratified, the Audit Committee and the Board of Directors in their discretion may change the appointment at any time during the year if they determine that such change would be in the best interest of the Fund and its stockholders.

Certain Information Concerning Tait, Weller & Baker, LLP

(a) *Audit Fees.* The aggregate fees billed for each of the last two fiscal years (the "Reporting Periods") for professional services rendered by Tait Weller for the audit of the Fund's annual financial statements, or services that are normally provided by Tait Weller in connection with the statutory and regulatory filings or engagements for the Reporting Periods, were \$50,000 in each of 2019 and 2020.

(b) *Audit-Related Fees.* There were no fees billed in the Reporting Periods for assurance and related services rendered by Tait Weller that are reasonably related to the performance of the audit of the Fund's financial statements and are not reported under paragraph (a) above.

In addition, there were no fees billed by Tait Weller in the Reporting Periods for assurance and related services rendered by Tait Weller to Schroders or any entity controlling, controlled by or under common control with Schroders that provides ongoing services to the Fund ("Service Affiliates") which were required to be pre-approved by the Audit Committee as described below.

(c) *Tax Fees.* The aggregate fees billed in the Reporting Periods for professional services rendered by Tait Weller for tax compliance, tax advice and tax planning ("Tax Services") were \$5,500 in each of 2019 and 2020. These Tax Services consisted of review or preparation of U.S. federal, state, local and excise tax returns.

(d) *All Other Fees.* Tait Weller did not provide any additional products or services to the Fund in the Reporting Periods, other than the services reported in paragraphs (a) through (c) above.

Audit Committee Pre-Approval Policies. The Audit Committee pre-approves Tait Weller's engagements for audit and non-audit services to the Fund, and non-audit services to Schroders and Service Affiliates on a case-by-case basis as required. Pre-approval considerations include whether the proposed services are compatible with maintaining Tait Weller's independence.

Non-Audit Fees. The aggregate non-audit fees billed in the Reporting Periods by Tait Weller for services rendered to the Fund were \$5,500 in each of 2019 and 2020. These aggregate non-audit fees include the Tax Services described above. There were no fees billed by Tait Weller in the Reporting Periods for non-audit services rendered by Tait Weller to Schroders or Service Affiliates.

Auditor Independence. The Audit Committee considers whether the provision of any non-audit services rendered to Schroders or Service Affiliates which were not pre-approved (not requiring pre-approval) is compatible with maintaining Tait Weller's independence.

Required Vote and the Board's Recommendation

The selection of the Fund's independent registered public accounting firm will be ratified if approved by a majority of votes cast at the meeting on Proposal 2 by the stockholders entitled to vote thereon.

THE BOARD OF DIRECTORS OF THE FUND UNANIMOUSLY RECOMMENDS A VOTE "FOR" PROPOSAL 2 TO RATIFY THE SELECTION OF TAIT, WELLER & BAKER, LLP AS THE FUND'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2021.

REPORT OF AUDIT COMMITTEE

The Audit Committee has exclusive oversight of the Fund's financial reporting process. The Committee operates pursuant to a Charter which has been approved by the Board, a copy of which is available on the Fund's website at www.swzfund.com. As set forth in the Charter, management of the Fund is responsible for the (i) preparation, presentation and integrity of the Fund's financial statements, (ii) maintenance of appropriate accounting and financial reporting principles and policies and (iii) maintenance of internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The Fund's independent registered public accounting firm, Tait Weller, is responsible for auditing the Fund's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, the Committee considered and discussed the December 31, 2020 audited financial statements with management and with Tait Weller. The Committee also discussed with Tait Weller the matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard No. 16, *Communications With Audit Committees*, as currently in effect. Finally, the Committee reviewed the written disclosures and the letter from Tait Weller required by Public Company Accounting Oversight Board Rule 3526, *Communication with Audit Committees Concerning Independence*, as currently in effect, and discussed with Tait Weller the auditors' independence.

Stockholders are reminded, however, that the members of the Audit Committee are not professionally engaged in the practice of auditing or accounting. Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and Tait Weller. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Fund's 2020 financial statements has been carried out in accordance with generally accepted auditing standards or that the financial statements are presented in accordance with generally accepted accounting principles, nor do they assure Tait Weller's independence. Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Charter, the Committee determined that the Fund's audited financial statements be included in the Fund's Annual Report to Stockholders for the year ended December 31, 2020, and filed with the Commission.

PROPOSAL 3: NON-BINDING PROPOSAL TO RATIFY THE APPROVAL BY STOCKHOLDERS IN 2006 TO PERMIT THE FUND TO LEVERAGE UP TO 10% OF THE FUND'S TOTAL ASSETS (INCLUDING THE AMOUNT BORROWED)

At the Fund's annual meeting of stockholders in 2006, stockholders of the Fund approved a proposal to permit the Fund to leverage up to 10% of its total assets (including the amount borrowed).

Although since the June 2006 annual meeting of the Fund the Fund has had the ability to use leverage for investment purposes, leverage has been used sparingly by the Fund if at all. Accordingly, in considering the use of leverage by the Fund in the future, your Board of Directors has determined as a matter of good governance to ask shareholders, through a non-binding proposal, to consider whether to ratify the 2006 approval of the Fund's use of leverage. At the time of approval of the 2006 proposal, the Fund was considerably larger than it is now, with net assets as of June 30, 2006 of \$471 million, and the Fund was advised by a different investment adviser. As of June 30, 2021, the Fund had net assets of \$146 million and has no leverage.

Using leverage is a speculative investment technique and involves certain risks. These include higher volatility of net asset value, the possibility of more volatility in the market value of the Fund's common stock and the possibility that the Fund's return will fall if the interest rate on any borrowings rises. The Fund will pay any costs and expenses relating to any borrowings, including interest and any commitment or other fee required to maintain a line of credit. So long as the Fund is able to realize a higher net return on investments purchased with borrowings than the then current cost of any leverage together with other related expenses, the effect of the leverage will be to cause the Fund to realize higher net return than if the Fund were not so leveraged. However, to the extent that the cost of any leverage, together with other related expenses, is more than the net return on investments purchased with borrowings, use of leverage would result in a lower rate of return than if the Fund were not so leveraged. There can be no assurance that any leverage strategy the Fund employs will be successful. In addition, if the Fund uses leverage, the Fund may be required to pledge portfolio securities to secure borrowings for investment purposes.

Whether or not Fund stockholders ratify the proposal, the Fund will continue to be permitted, but not required, to borrow up to 10% of the Fund's total assets (including the amount borrowed) for investment purposes.

Required Vote and the Board's Recommendation

The non-binding proposal to ratify the Fund's use of leverage will be approved if approved by a majority of the votes cast at the meeting on Proposal 2 by the stockholders entitled to vote thereon.

THE BOARD OF DIRECTORS OF THE FUND IS NOT RECOMMENDING A VOTE "FOR" OR "AGAINST" PROPOSAL 3 TO RATIFY THE APPROVAL BY STOCKHOLDERS IN 2006 TO LEVERAGE UP TO 10% OF THE FUND'S TOTAL ASSETS (INCLUDING THE AMOUNT BORROWED).

OTHER MATTERS

No business other than as set forth herein is expected to come before the Meeting. Should any other matter requiring a vote of stockholders properly arise, however, including any question as to an adjournment of the Meeting, the persons named in the enclosed Proxy will vote thereon according to their best judgment in the interest of the Fund.

Stockholders who wish to communicate with the Directors should send communications to The Swiss Helvetia Fund, Inc., 615 East Michigan Street, Milwaukee, Wisconsin 53202, to the attention of the Secretary. The Secretary is responsible for determining, in consultation with other officers of the Fund and Fund counsel, which stockholder communications will be directed to the Director or Directors indicated in the communication.

STOCKHOLDER PROPOSALS

In accordance with Rule 14a-8 under the Exchange Act, stockholder proposals intended to be presented at the 2022 Annual Meeting must be received by the Fund on or before March 28, 2022 in order to be considered for inclusion in the Fund's Proxy Statement and form of Proxy relating to that meeting. In addition, the Fund's By-Laws provide that if a stockholder of record entitled to vote desires to bring proposals (including Director nominations) before the 2022 Annual Meeting, written notice of such proposals as prescribed in the By-Laws must be received by the Fund's Secretary, The Swiss Helvetia Fund, Inc., 615 East Michigan Street, Milwaukee, Wisconsin 53202, between June 15, 2022 and May 12, 2022.

For additional requirements, stockholders may refer to the By-Laws, a current copy of which may be obtained without charge upon request from the Fund's Secretary. If the Fund does not receive timely notice pursuant to the By-Laws, the proposal will be excluded from consideration at the meeting.

EXPENSES OF PROXY SOLICITATION

The Fund will bear the cost of soliciting Proxies on behalf of the Board of Directors. In addition to the use of mails, Proxy solicitations may be made by telephone, fax and personal interview by the Fund's Directors and officers without additional compensation. Brokerage houses, banks and other fiduciaries may be requested to forward Proxy solicitation material to their customers to obtain authorization for the execution of Proxies, and they will be reimbursed by the Fund for out-of-pocket expenses incurred in this connection. If you have any questions concerning this Proxy solicitation, please contact USB at (414) 765-4255.

Authorizations to execute Proxies may be obtained by telephonic transmitted instructions in accordance with procedures designed to authenticate the stockholder's identity. In all cases where a telephonic Proxy is solicited, the stockholder will be asked to provide his or her address, social security number (in the case of an individual) or taxpayer identification number (in the case of a non-individual) and the number of shares owned and to confirm that the stockholder has received the Proxy Statement and Proxy in the mail. Within 72 hours of receiving a stockholder's telephonic transmitted voting instructions, a confirmation will be sent to the stockholder to ensure that the vote has been taken in accordance with the stockholder's instructions and to provide a telephone number to call immediately if the stockholder's instructions are not correctly reflected in the confirmation. Any stockholder giving a Proxy may revoke it at any time before it is exercised by submitting a new Proxy to the Fund or by attending the Meeting and voting in person.

HOUSEHOLDING

Please note that only one Annual Report or most recent Quarterly Report or Proxy Statement may be delivered to two or more stockholders of the Fund who share an address, unless the Fund has received instructions to the contrary. To request a separate copy of an Annual Report or Semi-Annual Report or Proxy Statement, or for instructions as to how to request a separate copy of such documents or how to request a single copy if multiple copies of such documents are received, stockholders should contact the Fund at the address and phone number set forth above. Pursuant to a request, a separate copy will be delivered promptly.

VOTING RESULTS

The Fund will advise stockholders of the voting results of the matters voted upon at the Meeting in the Semi-Annual Report to Stockholders first following the Meeting.

IMPORTANT

IN ORDER TO AVOID THE ADDITIONAL EXPENSE TO THE FUND OF FURTHER SOLICITATION, WE ASK FOR YOUR COOPERATION IN SUBMITTING YOUR PROXY PROMPTLY BY MAIL OR BY VOTING BY TELEPHONE OR THROUGH THE INTERNET IN ACCORDANCE WITH THE INSTRUCTIONS ON THE ENCLOSED PROXY.

If you have any questions concerning this Proxy solicitation, please contact USB at (414) 765-4255.

GOVERNANCE AND NOMINATING COMMITTEE CHARTER AND PROCEDURES

The Swiss Helvetia Fund, Inc.

ORGANIZATION

The Governance and Nominating Committee (the "Committee") of the Fund shall be composed solely of Directors ("Directors") who (i) are not "interested persons" of the Fund as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "1940 Act") ("Independent Directors") as a result of any affiliation with the Fund's investment adviser or any affiliates thereof ("Non-Affiliated Directors"), and (ii) have not, directly or indirectly, received any compensation or property from the Fund or the Fund's investment adviser, other than compensation for membership on the Board of Directors of the Fund (the "Board") or its committees, and reimbursement of out-of-pocket expenses, such as travel expenses. The Board shall select the members of the Committee and shall designate the Chair of the Committee. Among other responsibilities, the Committee shall (i) select and nominate persons for election or appointment by the Board as Directors of the Fund, (ii) oversee the annual assessment of the effectiveness of the Board as set forth below and (iii) oversee such other matters of Fund governance as may be delegated to it by the Board or determined by the Committee to be appropriate, including matters that are required by the 1940 Act to be considered by the Independent Directors acting separately (including those matters described in Appendix A hereto).

EVALUATION OF POTENTIAL NOMINEES

The Board believes that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties. In evaluating potential Director nominees (including any nominees recommended by stockholders as provided below) in light of this standard, and to address certain legal and other requirements and considerations associated with composition of the Board, the Committee shall consider, among other factors it may deem relevant:

- the character and integrity of the person;
- whether or not the person is qualified under applicable laws and regulations to serve as a Director of the Fund;
- whether or not the person has any relationships that might impair his or her service on the Board;
- whether nomination of the person would be consistent with Fund policy and applicable laws and regulations regarding the number and percentage of Independent Directors on the Board;
- whether or not the person serves on boards of, or is otherwise affiliated with, competing financial service organizations or their related fund complexes;
- whether or not the person is willing to serve and is willing and able to commit the time necessary for the performance of the duties and responsibilities of a Director of the Fund; and
- the educational background; business, professional training or practice (e.g., medicine, accounting or law), public service or academic positions; experience from service as a board member (including the Board) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences.

The Committee also may consider whether a potential nominee's professional experience, education, skills and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of

skills, experience or perspective to the Board's membership and collective attributes. Such considerations will vary based on the Board's existing membership and other factors, such as the strength of a potential nominee's overall qualifications relative to diversity considerations.

While the Committee is solely responsible for the selection and nomination of Directors, the Committee may consider nominees recommended by Fund stockholders. The Committee will consider recommendations for nominees from stockholders sent to the Secretary of the Fund c/o The Swiss Helvetia Fund, Inc., 615 East Michigan Street, Milwaukee, Wisconsin 53202. A nomination submission must include all information relating to the recommended nominee that is required to be disclosed in solicitations or proxy statements for the election of Directors, as well as information sufficient to evaluate the factors listed above. Nomination submissions must be accompanied by a written consent of the individual to stand for election if nominated by the Board and to serve if elected by the stockholders, and such additional information must be provided regarding the recommended nominee as reasonably requested by the Committee.

NOMINATION OF DIRECTORS

Each year, prior to the meeting at which the Committee considers the nomination of incumbent Directors for re-election by the Fund's stockholders, each Non-Affiliated Director may, if he or she believes it necessary, communicate privately with the Chair of the Board,* to discuss his or her views of the performance of the Board as a whole and, if appropriate, re-nominations to the Board of Directors. The Chair shall review and consider the views, if any, of the Non-Affiliated Directors and report to the Committee his conclusions. The Committee will then discharge its responsibility to recommend appropriate changes, and re-nominations to the Board of Directors.

In the event that any such communication involves the renomination of the Chair of the Board as an Independent Director or as Chair of the Board, each Non-Affiliated Director shall communicate privately with the Chair of the Committee, who in turn will follow the same procedure as outlined above to be followed by the Chair of the Board.

After a determination by the Committee that a person should be selected and nominated as a Director of the Fund, the Committee shall present its recommendation to the full Board for its consideration.

GOVERNANCE

On an annual basis, the Committee shall assess the effectiveness of the Board in the following matters and such other matters of the Board's effectiveness, as it deems appropriate and orally report its findings and any recommendations to the Board, to the extent necessary, for its consideration:

- The Board's committee structure and matters delegated to such committees;
- The matters covered by the Board in its annual cycle of meetings;
- The number and duration of Board meetings; and
- The number of interested and Independent Directors.

The Committee also shall consider such other matters of governance it deems appropriate and report its findings to the Board.

* If the Chair is a Non-Affiliated Director, the Non-Affiliated Directors will select each year one of their number to perform these functions.

MEETINGS

The Committee shall meet annually and at such other times as may be necessary.

REVIEW OF CHARTER AND PROCEDURES

The Committee shall review the charter and procedures annually, as part of the Board self-assessment, and more frequently as otherwise necessary.

As Revised: June 10, 2020
