Forward-Looking Statements

These presentation slides may contain forward-looking statements with respect to the financial condition, results of operations, strategy and businesses of the Schroders Group. Such statements and forecasts involve risk and uncertainty because they are based on current expectations and assumptions but they relate to events and depend upon circumstances in the future and you should not place undue reliance on them. Without limitation, any statement preceded by or followed by or that include the words ‘targets’, ‘plans’, ‘believes’, ‘expects’, ‘aims’ or ‘anticipates’ or the negative of these terms and other similar terms are intended to identify such forward-looking statements. There are a number of factors that could cause actual results or developments to differ materially from those expressed or implied by those forward-looking statements and forecasts. Forward-looking statements and forecasts are based on the Directors’ current view and information known to them at the date of this presentation. The Directors do not make any undertaking to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Nothing in this presentation should be construed as a profit forecast.
