# European Opportunities

a sub-fund of Schroder International Selection Fund SICAV

Class A Accumulation EUR (LU0995121059)

This fund is managed by Schroder Investment Management (Europe) S.A., which is a member of the Schroders Group.

## Objectives and Investment Policy

### Objectives

The fund aims to provide capital growth by investing in equities of companies listed in Europe.

### Investment Policy

The fund invests at least two-thirds of its assets in equities of companies listed in Europe.

The fund may use derivatives with the aim of reducing risk or managing the fund more efficiently. The fund may also hold cash.

### Benchmark

This share class is managed with reference to the MSCI Europe Net TR. The manager invests on a discretionary basis

and is not limited to investing in accordance with the composition of this benchmark.

### Dealing Frequency

You may redeem your investment upon demand. This fund deals daily.

### Distribution Policy

This share class accumulates income received from the fund's investments, meaning it is kept in the fund and its value is reflected in the price of the share class.

## Risk and Reward Profile

### The risk and reward indicator

The risk category was calculated using historical performance data and may not be a reliable indicator of the fund's future risk profile.

The fund's risk category is not guaranteed to remain fixed and may change over time.

A fund in the lowest category does not mean a risk-free investment.

The fund is in this category because it can take higher risks in search of higher rewards and its price may rise and fall accordingly.

### Risk factors

The following risks may affect fund performance.

**Counterparty risk:** The counterparty to a derivative or other contractual agreement or synthetic financial product could become unable to honour its commitments to the fund, potentially creating a partial or total loss for the fund.

**Currency risk:** The fund can be exposed to different currencies. Changes in foreign exchange rates could create losses.

**Derivatives risk:** A derivative may not perform as expected, and may create losses greater than the cost of the derivative.

**Equity risk:** Equity prices fluctuate daily, based on many factors including general, economic, industry or company news.

**Liquidity risk:** In difficult market conditions, the fund may not be able to sell a security for full value or at all. This could affect performance and could cause the fund to defer or suspend redemptions of its shares.

**Operational risk:** Failures at service providers could lead to disruptions of fund operations or losses.

# Charges

## One-off charges taken before or after you invest

Entry charge	5.00%
Exit charge	None

This is the maximum that might be taken out of your money before it is invested.

## Charges taken from the fund over a year

Ongoing Charge	1.85%
----------------	-------

## Charges taken from the fund under certain specific conditions

Performance fee: None

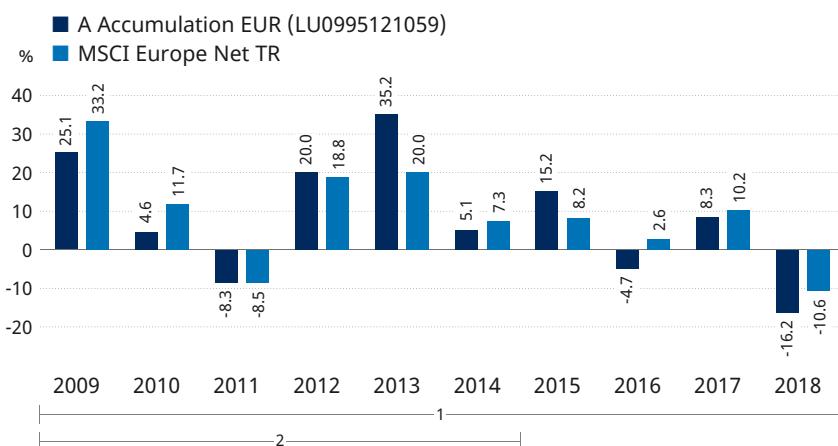

The charges you pay are used to pay the costs of running the fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

The entry and exit charges shown are maximum figures and in some cases you might pay less. You can find out the actual entry and exit charges from your financial advisor.

The ongoing charges figure is based on the last year's expenses for the year ending December 2018 and may vary from year to year.

You can find more information about the charges in Section 3 of the fund's prospectus.

# Past Performance

- 1 Performance achieved during this period was achieved in circumstances that no longer apply. The fund's objectives and investment policy were changed in March 2018.
- 2 Performance up to 12 March 2014 predates the launch of this share class and has been simulated using the history of Cazenove Pan Europe Fund, which contributed all of its assets and liabilities to the fund Schroder International Selection Fund European Opportunities on 12 March 2014.

This share class was managed with reference to the FTSE World Europe until the end of May 2014.

Past performance is not a guide to future performance and may not be repeated. The value of investments may go down as well as up and you may not get back the amount you originally invested.

The chart shows performance in euro after the ongoing charges and the portfolio transaction costs have been paid. Entry charges are excluded from calculations of past performance.

The fund was launched on 12 March 2014.
