Dear Shareholder,

Schroder International Selection Fund – Wealth Preservation

The board of directors of Schroder International Selection Fund (the "Company") has decided to change the name and investment objective of Schroder International Selection Fund – Wealth Preservation (the "Fund") with effect from 19 February 2020 (the "Effective Date").

Name Change

The Fund's new name will be Schroder International Selection Fund – Inflation Plus, which better reflects the investment strategy.

Investment Objective and Policy

The Fund's investment objective currently includes a performance target to "provide capital growth of 5% above inflation (as measured by the Eurozone Harmonized Consumer Price Index) gross of fees over rolling 3-5 year periods." This reference will be changed to "provide capital growth above inflation (as measured by the Eurozone Harmonized Consumer Price Index) after fees have been deducted over rolling 3-5 year periods." We believe that a target of "above inflation" (as opposed to 5% above inflation) more accurately reflects the expected returns in the current low inflation environment.

From the Effective Date, the Fund's investment objective, which is contained in the Company's prospectus, will change from:

"Investment Objective

The Fund aims to provide capital growth of 5% above inflation (as measured by the Eurozone Harmonized Consumer Price Index) gross of fees over rolling 3-5 year periods by investing in a broad range of asset classes worldwide. There is no guarantee that the objective will be attained and your capital is at risk."

We hope that you will choose to remain invested in the Fund following these changes, but if you do wish to redeem your holding in the Fund or to switch into another of the Company's sub-funds before the Effective
